Rosettes will be awarded 1st – 8th place in all classes.
Prize cards will be awarded 1st – 5th place in all classes

NPS Mountain and Moorland Qualifying Rounds: These classes are judged under the Rules of the NPS. Ponies must be registered in the main body of their respective Mountain & Moorland Stud Books. Part breders are not eligible.

Qualifying rounds for most NPS competitions are open to ponies owned by NPS members and non-members but only ponies owned by adult NPS members are eligible to qualify for the final of the competition at the NPS Summer Championship Show at Malvern in August 2012.

The highest placed pony owned by an NPS member in each class will qualify for the final. Where this pony has already qualified the pony standing next in line which is owned by an NPS member and has not already qualified receives the qualification. Qualification may go no lower than 3rd place. Judges and/or stewards will check membership cards prior to presenting the qualifying rosettes and cards. NPS Standard members will be required to upgrade to Full membership to enter the final.

NPS Show Pony and Show Hunter Pony Qualifying Rounds: These classes are judged under the Rules of the NPS. Ponies must be registered in the NPS British Riding Pony Stud Book, Register or Appendix, the GSB, the AHSB, the AASB or in the main body of their respective Mountain & Moorland Stud Books. Part-Breders are not eligible for In Hand classes unless entered in the NPS British Riding Pony Stud Book, Register or Appendix. Part-Breders are eligible for Ridden classes provided they are registered in a Breed Society Stud Book. Ponies must be plaited

NPS/Rosettes Direct Home Produced Ridden Championship - Riders of Home Produced ponies (see definition in the NPS Rules Book) can wear a white arm band in classes where this is indicated. These ponies, if owned by NPS members, are then eligible to qualify for the final at the NPS Summer Championship Show.

NPS Silver Medal Rosette Championships: These classes are judged under the Rules of the NPS. NPS Silver Medal Rosettes are only awarded when the owner of the champion pony is a member of the NPS. A valid membership card must be in the rider's/handler's possession on entering the ring and be produced immediately on request by either the judge or the steward. If the owner of the Champion pony is not a member, or the owner's membership card is not immediately produced, the rosette may be awarded to the Reserve Champion provided they have the required membership card. If the Champion pony has previously qualified it is still entitled to the Silver Medal Rosette but the qualification card goes to the Reserve Champion pony, provided the owner of that pony is a member of the NPS. The Silver Medal Rosette and the qualification card can be awarded no lower than first Reserve (third). Foals are not eligible for Silver Medal Championships

Electricity at 240 volts, single phase, is supplied to several parts of the showground from the public supply.

All electrical equipment must be approved by the Show's official contractor prior to use. Temporary low voltage distribution systems of 415 volts or less on the site will be subject to the 'Electricity at Work Regulations 1989 and associated legislation'.

Documentation must show the date and name of the person carrying out the test/inspection.

Spot checks will be carried out by show officials and any equipment found to be faulty will be confiscated.
